We also operate the Landsat satellite program with NASA, and maintain the largest civilian collection of images of the Earth's land surface in existence, including tens of millions of satellite Earth Resources Observation and Science (EROS) Center Illinois Extension experts are here to help families, businesses, and communities solve problems and learn new skills with research-

based webinars, virtual meetings, videos, and more. A new report finds that Extension provides more than \$600 million annual benefit to Illinois, ten times its budget ... University of Illinois Extension America's Wetlands. Wetlands are areas where water covers soil all or part of the time. Wetlands are important because they protect and improve water quality, provide fish and wildlife habitats, store floodwaters and maintain surface water flow during dry periods.

Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across

platforms and devices.
