Cultivating Creativity: For Babies, Toddlers and Young ... The first edition of Justin Dauer's 2017 book 'Cultivating a Creative Culture' was written around a core concept: empathy, humility, and creativity at the office—permeating how we treat one another, support one another, and the collective influence upon how we create. It's upon that last notion, 'how we create,' where this second edition further focuses on the parallels between 'making' and 'interacting.' Creative Culture Find helpful customer reviews and review
