Focus on Earth Science California Edition by Jan Jenner, Marylin Lisowski and Barbara Brooks Simons (2007, Hardcover, Student Edition) Focus on Earth Science California, Grade 6 (2007 ... The stratospheric ozone layer is Earth's "sunscreen" – protecting living things from too much ultraviolet radiation from the sun. The emission of ozone depleting substances has been damaging the ozone layer. But through domestic and international action, the ozone layer is healing and should fully recover by about 2065.

As the name suggests, Open Library features a library with books from the Internet Archive and lists them in the open library. Being an open source project the library catalog is editable helping to create a web page for any book published till date. From here you can download books for free and even contribute or correct. The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.
