## Typology

Language Typology | Edith A. Moravcsik | download Language - Language - Language typology: Language families, as conceived in the historical study of languages, should not be confused with the quite separate classifications of languages by reference to their sharing certain predominant features of grammatical structure. Such classifications give rise to what are called typological classes. Language - Language typology | Britannica Linguistic typology is a field of linguistics that studies and classifies languages according to their structural and functional features. Its aim is to describe and explain the common properties and the structural diversity of the world's languages. Its subdisciplines include, but are
