King William S War The King William's War, (1689–97), North American extension of the War of the Grand Alliance, waged by William III of Great Britain and the League of Augsburg against France under Louis XIV. Canadian and New England colonists divided in support of their mother countries and, together with their respective Indian allies, assumed primary responsibility for their own defense. King William's War | history of North America | Britannica King William's War (1688–1697, also known as the Second Indian War, Father Baudoin's War, Castin's War, or the First Intercolonial War in French) was the North American theater of the Nine Years' War (1688–1697), also known as the War of the Grand Alliance or the War of the League of Augsburg. King William's War - Wikipedia The battles of King William's War took place in the following locations in North America: Colony of Connecticut. Colony of New France. Massachusetts Bay Colony. Province of New Hampshire. Province of New York. History of King William's War King William's War was the first in a series of colonial conflicts between France and England for supremacy in North America. The major goal, other than prestige, was the control of the fur trade. All of these struggles had European counterparts that were often of greater significance than the American events. King William`s War: The First of the French and Indian Wars King William's War was very different in aim and meaning in the colonies from what it was beyond the Atlantic. In America it was the first of several fierce contests, covering seventy years; or, it may be said, it was the beginning of a

1697

seventy years' war with intervals of peace, for the supremacy in North America. King William's War - History of the USA Beginning of King William's War in America In America, the British and the French were already having issues as frontier settlements fought for territorial claims and trading rights.
