Dental Management of the Medically Compromised Patient - E ... This is the dental place of your worst nightmares. If you go, don't do more than a routine cleaning. Anything beyond that - do at your own risk. There's a room with a single chair with no windows that they can close - I think that's the one with straps. Scary! The first time I took my child they wanted to do x rays on him and he was only 3. I ... Dentistry "Love the enviroment of the office. From the moment you walk in you are greeted and the staff is very friendly. The Dentist is very knowledgable and takes his time with you, does not treat you like a paycheck or hurries you off to place another patient in his chair. Little Smiles Pediatric Dentistry Orthodontics & Adult ... In addition, neglect leads to expensive hospital emergency department visits that do little to treat the actual source of the problem, very expensive treatment in hospital operating rooms for advanced dental disease or severe dental infections, and lost days of school and work due to dental problems. 34-36 There is also increasing evidence ...
