flying combat missions for seven entire years before it was formally unveiled to the public. The 'Stealth Fighter' that wasn't: Why we keep getting the ... Share your thoughts, experiences and the tales behind the art. Lockheed F-117A

"Nighthawk" by RADMRockstone on DeviantArt In that role the F-117N could carry AIM-120 AMRAAM air-to-air missiles. After being rebuffed by the Navy, Lockheed submitted an updated proposal that included afterburning capability and a larger emphasis on the F-117N as a multi-mission aircraft, rather than just an attack aircraft.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to

make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

.
