Malignant Self-love: Narcissism Revisited Malignant Self Love - Narcissism Revisited My book, Malignant Self Love - Narcissism Revisited, offers a detailed, first-hand account of what it is like to have a Narcissistic Personality Disorder (NPD). It offers new insights and an organized methodological framework using a new psychodynamic language. Inside this site, and through my book, I survey the main body of research about narcissism. I warn you though, Narcissism is a slippery subject: only with great difficulty can it be captured with words. Malignant Self Love - Narcissism Revisited Homepage ... Corpus ID: 142433260. ... "Malignant Self-Love" is a detailed and all-encompassing portrait of an almost invisible disorder - at least at a superficial level. It depicts narcissism when it's already reached the state of personality disorder, the tricky thing being that narcissistic tendencies and responses are visible in each healthy individual, manifested in milder forms - self-worth, self-appreciation, self-respect.
