Not For Parents Europe
Everything Not For Parents Europe:
Everything you ever wanted to
know - this is one of several books
in Lonely Planets "Not for Parents"
series that I've gotten for my young
daughters. They love these books
as they are fun, yet full of
interesting facts about history,
food, customs, geography, culture,
etc. Not For Parents Europe:
Everything You Ever Wanted to
Know ... And it's definitely 'not-for-
parents'. It is the real inside story
about one of the world's most
colorful continents - Europe. In this
book you'll read about bizarre
pastimes from wok racing and
mobile phone hurling to grown-up
food fights and rotten shark

chomping. You'll learn the
gruesome. Not For Parents Europe:
Everything You Ever Wanted to
Know ... Being a travel company at
heart you would think that Lonely
Planet's 'Not for Parents Europe'
would have some sort of travel
based structure that leaped from
country to country in a virtual tour
of Europe. However, this is not the
case. The book does not even look
at particular countries, but at
Europe as a whole. Random
subjects come up on a double
spread and you are given colourful
images and a few facts about it. At
times it almost feels like a whistle
stop tour of European
Stereotypes. Buy Not For Parents

This series is an excellent way to explore European cities, history, art and culture. My 7 year old refused to let me look at the books ("It says on the cover 'Not for parents!' Mommy!") But she ended up being our little tour guide, citing facts and gruesome stories (got to love European history!) and learning so much during our urban adventures.
