Sociology Study Guide Answers Sociology. Studying the way people organize themselves into societies and institutions? We break down the science of social relationships from families to entire civilizations. Sociology Study Guides - SparkNotes Sociology is the study of human behavior in social worlds. It embraces the concept of people playing social roles, such as soldier-of-fortune, mother, accountant, brother, gangster, police officer, and so on. However, social roles exist only because societies are structured. Social structures aren't physical, but they have very real effects. Study Guide Introduction to
