The Dementia Care Bundle Health Abstract. Caring for people with dementia in acute settings is challenging and confounded by multiple comorbidities and difficulties transitioning between community and acute care. Recently, there has been an increase in the development and use of integrated care pathways (ICPs) and care bundles for defined illnesses and medical procedures, and these are now being promoted for use in dementia care in acute settings. Integrated Care Pathways and Care Bundles for Dementia in ... Understanding Dementia Bundle \$499.00 This bundle includes...Reframing Dementia, a 1-day do-it-yourself education kit
